

Savoye

Warm grey undertones make this a versatile tone that is at home with both warm and cool colour palettes.

Flatiron

Cool and composed with a subtly marbled surface, this perfect mid grey gives a sense of depth.

Empire

This flinty charcoal grey with a subtly variegated appearance is a softer alternative to pure black.

Petronus

A classic jet black, this saturated tone will add depth and definition to a space, creating a contemporary backdrop.

Opera

A subtle blend of neutral hues including the barest trace of pink adds hidden depths.

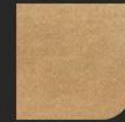

Terrace

Soft grey undertones ensure this shade is a sophisticated version of a traditional mauve.

Parthenon

A natural earthy fawn with a hint of olive green, this mid grey beige is soft and welcoming.

Beehive

A dynamic energised hue that lives happily between sunny yellow and tropical cantaloupe.

Senado

Perpetually upbeat, this sunny hue is infused with a touch of orange ensuring it lands on the warmer side of bright yellow.

Canyon

A colour reminiscent of summer, this friendly orange hue will add a sense of space and light.

Sargazo

A saturated crimson red, with a deep berry stained hue has black base notes intensifying its dramatic energy.

Cavalier

Muted dusky grape with a hint of grey, this sophisticated shade of purple brings a quiet confidence that can be both soothing and stimulating.

Gherkin

Restorative and grounded, this soft earthy green offers a balanced presence in a space.

Highland

This muted earthy tone mimics a warm neutral and will revitalise a space without overpowering it.

Acros

A lively light green refreshed with a dash of acid yellow, Acros will rejuvenate a space and your mood.

Tree House

An elegant deep emerald with black undertones, this saturated dark green creates an intimate sanctuary.

Caspian

An alluring alternative to charcoal, deep green base notes make this complex colour a chameleon capable of transforming a space.

Pinnacle

Ground your space and calm your mind with this saturated inky blue.

Falling Water

Combine this buoyant light aqua with similar tones for an energetic environment, or paler companions for an easygoing atmosphere.

Muralla

A true mid blue with an easygoing hue brings balance to your space.

Stonewash

A laid back blend of blue and white, this relaxed hue embodies classic stonewash denim - cool and a little bit quirky.

Atlantis

A transportive deep sea blue, this subtly variegated fibre evokes the enigmatic Atlantic ocean.

Porcelain

Subtle blue undertones ensure this hazy hue is a soft cool grey that will reflect the light and create a sense of space.

Electric Blue

Eternally optimistic, a brilliant bright blue that will light up your day.

Ink

With violet undertones, this sapphire blue is a deep sophisticated version of a classic royal blue.

Calypso

An intriguing pastel version of ultraviolet oscillating between blue and purple creates a contemplative atmosphere.

Octane

An alliance between blue and green, with warm undertones to ground your space and calm your mind.

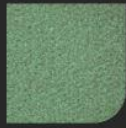

Spearmint

A soothing dusky blue green, Spearmint is an obliging hue that will shift to suit the colours it mingles with.

Sage

Like whipped up sea on a blustery day, this moody hue will shift from green to grey depending on the light.

Jade

An elegant muted mid green infused with a hint of yellow, brings tranquillity to your environment.

Lime

Fresh and citrusy, this good natured green will simultaneously refresh your space and soothe your senses.

Granny Smith

Supremely confident in its inherent greenness, this effervescent hue is the ultimate bright green.

Blazing Red

Splendid in its brightness, this intense but playful hue exudes confidence.

Chilli Red

A classic deep red with crimson base notes, is a passionate tone bursting with energy.

Vintage

Rich, warm and comforting, this enveloping colour brings warmth to a space.

Simba

The barest hint of brown ensures this vibrant spicy orange sits on just the right side of intensity.

Myst

This elegant pale grey brings a little more to the table than white, settling a space with its quiet character.

Koala

The perfect medium grey infused with warmth to soften its smoky coat, creates a welcoming grey tone to unify your space.

Herald

A marled finish adds a dynamic edge and a touch of warmth to this classic true grey.
